Temperature:	24.2 °C
Humidity:	56.00% RH

Hose #:	1438715339
Tool Type:	(NEW) Hydraulic Hose
Manufacturer:	Dunlop
Model #:	12K PSI
Serial #:	GU578H1

Hose Fittings: QC	Hose Color: BLACK
Working Pressure: 12000 PSI	Burst Pressure: 24000 PSI
Test Pressure: 18000 PSI	Test Result: PASS
Pressure Tested for 30 Seconds Minimum	

Technician Comments:
GU578

John Carinder, Calibration Technician

Notes:

We hereby certify that the material described above has been tested per the parameters set forth in our Quality Management Procedure Manual Version 4.0 and complies with the specification of the order.

This test certificate does not relieve the customer of his obligation to inspect the goods upon receipt. The quoted specification does not constitute assured characteristics or establish any warranties or obligations towards third parties to whom this certificate might be passed on. Furthermore, our General Sales Conditions shall apply in the version currently valid.
